and preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most cdged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to, in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup. Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains, Proceedings at the Lungs, &c. Wistar's Enjasm does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

The Dasages of this recommendation involves the expenditure of a good deal of money, but it has long been a necessity, as there have been propor means for drying hose at No. 1 shed, and it is well known that hose which a not properly dired is not to be depended upon. This has been proved at lafe fire, and, the old hose being now unreliable, a supply of new hose has become absolutely make proper sease before purchasing the necessary quantity of new hose has become absoluted the control of the committee will no doubt make proper seads before purchasing the necessary quantity of new hose, and as the best in the changoot, the best ought to be secured, irrespective of price.

It is acknowledged by many prominent physicians to be the most proprietors. At is acgnowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Couglis, Bronchitis, Croup, Whooping Cough, Influenze, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. SATURDAY, DECEMBER 18, 1875. CAUCHON AGAIN.

The Nation, in its issue of the 17th, has the following sharp hit at the entrance of the notorious Cauchon into the "pure" Reform Cabinet. The closing sentence must be especially relished by Mr. Blake:

would acknowledge they were wrong and with-draw their slanders against Mr. Cauchon." Although the dose is exceedingly nav-secus, we have no doubt that the Whig and other Grit journals will, are long, in spite of their loud protestations of dislike, eat the leek presented to them with becoming docility.

It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Bulsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.

which can be cured by a timely resort to this stand-ard preparation, as has been proved by the hundreds of ard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in senson it seldom fails to effect a speedy cure in the most severe, case of Coughs, Brouchitis, Croup, Whooping Cough, Hough Cough, Wiscons at the Lungs, &c.
